

HGxx-C: Closed Hoisting Grips

Features:

- Closed design for installation prior to connector installation
- Longer grips result in less cable stress and greater resistance to pull-out, flexure, and vibration
- Use for lifting cables and for strain relief at 200' intervals on long cable runs

Construction:

- Stainless steel braided wire construction

Part #	Cable Size & Type	Overall length	Mesh length	Weight
HG38-C	LMR-400, 3/8" Flex, & RG11U	11"	6"	0.05 lb
HG12-C	1/2" Coax & LMR-600	18"	7"	0.1 lb
HG58-C	5/8" Coax & LMR-900	25"	14"	0.2 lb
HG78-C	7/8" Coax & LMR-1200	34"	21-1/2"	0.4 lb
HG114-C	1-1/4" Coax & LMR-1700	40"	27"	0.4 lb
HG158-C	1-5/8" Coax	45"	30"	0.4 lb
HG214-C	2-1/4" Coax	45"	30"	0.6 lb
