

NMCxx: Non-Metallic Flexible Conduit

Features:

- Flexible nonmetallic conduit in 100' lengths
- Smooth inner wall for easy cable pulling; will not damage conductors
- Suitable for watertight direct burial applications when used with CON12 and CON34 Nylon Screw Connectors
- Quick installation, can be cut with a utility knife or PVC cutter

Construction:

- Flexible PVC

Design Criteria:

- UL Type B flexible, nonmetallic liquid-tight conduit
- UL and CSA listed

Part #	Size	OD (Min/Max)	ID (Min/Max)	Weight
NMC12	1/2"	0.820" - 0.840"	0.622" - 0.642"	10 lb
NMC34	3/4"	1.030" - 1.050"	0.820" - 0.840"	14 lb
