114HC	1-14"	10 pack	0.7 lb
158HC	1-5/8"	10 pack	0.9 lb

xxHC: Clip Hangers

PRODUCT DESCRIPTION

Stainless Steel Clip Hangers combine mounting versatility with exceptional ease of installation. The unique dual-clip feature will allow the hanger to support a variety of brands of coaxial cable and is compliant to material standard DIN1.4301 or American standard 304. Once the hanger is mounted to the support structure, the dual-clip locking mechanism is easily latched to hold the coax firmly in place. These versatile hangers offer a wide variety of mounting options including bolting to 3/8" threaded members using the supplied slotted hex head bolts, or to pre-punched structures with the supplied 3/8" stainless steel nuts. The slotted mounting end also accommodates round member adapters or banding straps for direct
